TURKISH INTERIOR MINISTRY EXPERTS TO TRAIN KYRGYZ COLLEAGUES IN DRONE CONTROL

-

21.06.2022

Kabar (21 June 2022)

Turkish experts from the Interior Ministry came to assist colleagues from the Ministry of Internal Affairs of Kyrgyzstan in introducing and training drone operations in the internal affairs agencies of Kyrgyzstan.

The delegation visited the Central Office of the Interior Ministry, where a meeting was held with Deputy Interior Minister for Digital Development, Police Colonel Suyunbek Niyazbekov, the press service of the Kyrgyz Interior Ministry said.

The expert delegation of the Turkish Ministry of Internal Affairs was headed by Director General of the Biotexan firm under the Interior Ministry Osman Keles, Head of Information Technology Department of the Interior Ministry Abdulsalam, Police Lieutenant Colonel Türker Yirtan and others.
