PASHINYAN, MISHUSTIN DISCUSS ISSUES OF REGIONAL COMMUNICATIONS

-

21.06.2022

ArmenPress (20 June 2022)

During the meeting with Russian Prime Minister Mikhail Mishustin in Minsk, Armenian Prime Minister Nikol Pashinyan touched upon the problems at the Upper Lars checkpoint on the Russian-Georgian border, as well as the unblocking of transport and economic communications in the region. ARMENPRESS reports Ria Novosti informs that PM Pashinyan thanked the Russian side for solving the problems rising at the Upper Lars checkpoint on the Russian-Georgian border, reminding that this is the only land route connecting Armenia with Russia.
