Chinese President Xi Jinping on Friday laid out a future for Hong Kong, embedded firmly within the goals of the central government on the mainland.

Now Hong Kong is at a new stage of moving from chaos to governance, and then from governance to greater prosperity, Xi said at the swearing-in ceremony of Hong Kongs new Chief Executive John Lee.

The next five years will be crucial for Hong Kong to break new ground and launch a new takeoff, Xi said, according to an English translation broadcast through state media.
