Nigar Bayramli

Iranian President Ebrahim Raisi has voiced Tehrans readiness to help increase the volume of Turkmenistans gas swap with neighboring Azerbaijan.

According to the recent request of the Republic of Azerbaijan, Iran is ready to increase the capacity of Turkmenistans gas swap to Azerbaijan through our country, President Raisi said in a meeting with his Turkmen counterpart Serdar Berdimuhamedow in Ashgabat on June 29.

President Rasis statement was made as part of his trip to Turkmenistan, where he attended the 6th Summit of Heads of State of Caspian littoral states.
