The trade turnover between Kazakhstan and the European Union countries for the first half of 2022 reached \$20.1 billion, a 51.2 percent increase compared to the same period last year, said Kazakh Prime Minister Alikhan Smailov during a July 19 video conference, reports the Kazakh Prime Ministers press service.

The EU has been one of the main political, trade, economic and investment partners of Kazakhstan for many years, said Smailov.

According to the results of the first quarter, the gross inflow of foreign investments increased by 54 percent and reached \$6.8 billion. In the mining industry, the inflow of investment capital increased by 35.7 percent and reached \$3.5 billion.
