
N. MACEDONIA DONATES TANKS TO UKRAINE AS IT MODERNISES OWN MILITARY

- 01.08.2022

Euronews (30 July 2022)

North Macedonia plans to donate an unspecified number of Soviet-era tanks to Ukraine as it seeks to modernise its own military to meet NATO standards, its defence ministry said on Friday.

In a statement, the ministry said Ukraine will receive tanks belonging to the western Balkan countrys tank battalion which is in the process of being upgraded.
