Anadolu Agency (3 August 2022)

Haydar Karaalp

Iraqi Shia cleric Muqtada al-Sadr called Wednesday for dissolving Iraqs Parliament and holding early elections.

There will be no place for old faces anymore through a peaceful, revolutionary and democratic process and [holding] early democratic polls after dissolving the current Parliament, al-Sadr said in a televised speech.

The influential leader ruled out dialogue with the Coordination Framework, a coalition of groups close to Iran.
