SWEDEN AGREES TO EXTRADITE MAN TO TURKEY IN WAKE OF NATO DEAL

-

12.08.2022

Al Jazeera (11 August 2022)

The move comes weeks after Turkey demanded that a number of people be extradited from Sweden in exchange for a NATO deal.

Swedens government has decided to extradite to Turkey a man in his 30s who is wanted for fraud.

The move announced on Thursday is the first case since Turkey demanded that a number of people be extradited in return for allowing Stockholm to formally apply for NATO membership.
