Caspian News (11 August 2022)

Aybulat Musaev

Kazakhstan has approved a protocol expanding the country's military intelligence cooperation with Türkiye.

"The attached protocol between the Kazakh and Turkish governments on cooperation in the field of military intelligence that was signed in Ankara on May 10 2022, is approved," KazTAG quoted the Kazakh government as saying in a resolution on August 10.

The document, already in effect, refers to military intelligence cooperation in three areas.
