Balkan Insight (6 September 2022)

Svetoslav Todorov

Opinion surveys indicate that Boyko Borissovs GERB party will top the popular vote at Octobers polls but will have a hard time finding partners to create a governing coalition because of its tarnished reputation.

Controversial former Prime Minister Boyko Borissov, who has served as premier three times already, is hoping that the elections on October 2 □ Bulgarias fourth polls in two years □ will put his GERB party back on top.
