
MINISTERS TO VOTE IN DECEMBER ON ROMANIA AND BULGARIA'S ACCESSION TO SCHENGEN AREA

-

06.10.2022

Euractiv (6 October 2022)

Eleonora Vasques

EU governments will vote in December on whether to grant Romania and Bulgarias accession to the Schengen area after more than ten years of delay.

Back in 2011, the subject was voted on by national ministers, but accession was blocked by the Dutch and Finnish governments. Joining the Schengen passport-free travel area requires unanimity.
