
KAZAKHSTAN WON'T CANCEL BROADCAST OF RUSSIAN TV CHANNELS

- 06.10.2022

Inozpress (3 October 2022)

The telecommunications company Beeline Kazakhstan has announced that it will not cut off Russian channels from the air.

The company, which belongs to the Veon holding, has adjusted its plans after consulting with the Russian Ministry of Digital Development, the Russian ministry said.

In September, Beeline Kazakhstan reported that from October 5, Dom Kino, Victory, Oh!, First Channel of the CIS, NTV MIR, Carousel International, Russia 24, Music of the First, RTR Planet, Time: far and near, Telecafe, Lets go, House of Cinema Premium HD, Beaver, Russia K . According to the company, they are changing to Evrokino, Favorite Cinema, 1HD music and Food Premium HD. Earlier, the company announced that the decision to stop broadcasting Russian TV channels was made due to changes in audience preferences.
