*4 Chinese coast guard ships, including vessel, detected in waters off Tokyo-controlled uninhabited islets, says media.*

The Japanese coast guard claimed that Chinese ships with the largest cannon in the East China Sea intruded into its territorial waters near the Senkaku Islands for the second time on Friday.

Four Chinese coast guard ships, including the vessel, were detected in waters off Tokyo-controlled uninhabited islets claimed by Beijing, Kyodo News Agency reported, citing an unnamed Japan Coast Guard official.
