
SOUTHERN GAS CORRIDOR IN SPOTLIGHT AS EU SCRAMBLES TO FIND FRESH GAS SOURCES

-

01.12.2022

Anadolu Agency (30 November 2022)

Firdevs Yuksel and Sibel Morrow

Located on pipeline transit routes, Türkiye is key for Southern Gas Corridor project, says energy security specialist

The Southern Gas Corridor has come under scrutiny in the EU, with the bloc actively seeking alternative gas resources to ensure long-term supply security in the face of the energy crisis that began with the outbreak of the Russia-Ukraine War.
