AUSTRALIAN VISIT TO CHINA RAISES HOPES ON TRADE, DETAINEES

-

20.12.2022

AP (20 December 2022)

The first visit by an Australian foreign minister to China in four years is raising hopes that Australia will make progress on ending trade sanctions and freeing two Australian citizens detained in China.

But Australias Foreign Minister Penny Wong cautioned on Tuesday before leaving that some of the thorny issues between the countries will take time to resolve.
