## **NORTH KOREA SOLD ARMS TO RUSSIA'S WAGNER GROUP, US SAYS**

- 26.12.2022

---

BBC (23 December 2022)

George Wright

The United States has accused North Korea of supplying battlefield missiles and rockets to the Russian mercenary group Wagner for use in Ukraine.

The White House said the shipment violated UN Security Council resolutions and that it would announce further sanctions on Wagner.

Both North Korea and Wagner have denied the reports.
