
WAR GAME SHOWS TAIWAN STOPS CHINA INVASION BUT AT ENORMOUS COST

-

11.01.2023

Al Jazeera (10 January 2023)

US military support critical for Taiwan to fend off a Chinese invasion, but the victory may be pyrrhic, think-tank says.

Taiwan is likely to defeat a Chinese invasion if the United States comes to the islands defence, a prominent think-tank says, but it warns that such a victory would come at enormous cost, including the loss of tens of thousands of lives and damage to Washingtons global position.
