
CONSTANTINE II, LAST KING OF GREECE DIES AT 82

-

11.01.2023

BBC (11 January 2023)

Greece's last King Constantine II has died aged 82, his doctors say.

He passed away in an intensive care unit in a private hospital in Athens late on Tuesday, the Associated Press reports citing hospital staff.

Constantine II ascended to the throne in 1964 during a turbulent period in Greek history that culminated in a military coup three years later.
