
SOUTH KOREA MULLS COMPENSATING FORCED LABOURERS VIA A PUBLIC FUND

-

13.01.2023

Al Jazeera (12 January 2023)

Some victims of forced labour under the Japanese during World War II denounced the plan as humiliating.

South Korea's government has proposed compensating Koreans who were forced to work for Japanese firms during World War II using funding from a domestic foundation rather than funds from the companies involved in the forced labour.
