Al Jazeera (12 January 2023)

President Emmanuel Macron says he will not ask forgiveness from Algeria for French colonisation, but hopes to continue working towards reconciliation with his counterpart, Abdelmajid Tebboune.

Its not up to me to ask forgiveness, thats not what this is about, that word would break all of our ties, he said in an interview for Le Point magazine, published late on Wednesday.

The worst thing would be to decide: We apologise and each go our own way,' Macron said.
