20.01.2023

---

Iraqi News Agency (19 January 2023)

Deputy Prime Minister and Foreign Minister Fouad Hussein confirmed today, Thursday, that Iraq's foreign policy is based on bringing the views of neighboring countries closer together and adopting the principle of dialogue.

The Ministry of Foreign Affairs stated, in a statement received by the Iraqi News Agency (INA), that "Hussein received the Dutch Foreign Minister, Wopke Hoekstra, on the sidelines of the annual Davos conference, and during the meeting they discussed bilateral relations between the two countries and a number of regional issues of common concern."
