CHRIS HIPKINS CONFIRMED AS NEW ZEALAND'S NEXT PRIME MINISTER

-

23.01.2023

Aljazeera (22 January 2023)

New Zealand's former minister for COVID-19, Chris Hipkins, has been confirmed as the country's next prime minister.

Hipkins got the unanimous support of legislators from the ruling Labour Party on Sunday after he was the only candidate to replace the charismatic Jacinda Ardern, who shocked the nation last week when she announced she was resigning after more than five years as prime minister.
