
**GROUPS BASED IN N. IRAQ, FOREIGN SPY AGENCY BEHIND IRAN MILITARY COMPLEX
ATTACK: REPORT**

-

02.02.2023

Anadolu Agency (1 February 2023)

Drone attack on a military complex in central Isfahan province took place on Saturday night.

A news agency affiliated with Iran's top security body says groups based in northern Iraq were behind recent the attack on a military complex in central Isfahan province.

In a report on Wednesday, citing sources, the Supreme National Security Council-affiliated Nour News said the "dissident groups" collaborated with a foreign intelligence agency to carry out the attack on the military complex late on Saturday.
