
ARMENIA TO SIGN NEW AGREEMENT WITH US IN NUCLEAR ENERGY USE

-

09.02.2023

News.am (9 February 2023)

At Thursdays Cabinet meeting, the Armenian government approved the signing of a new agreement between the Nuclear Safety Regulatory Committee of Armenia and the US Nuclear Regulatory Commission on the exchange of technical information and cooperation on nuclear safety.

The previous agreement had expired on March 29, 2022.

The new agreement will promote the exchange of advanced experience and knowledge on nuclear safety, and the introduction of new respective technology.
