
THE LAST DANCE? FINLAND'S SANNA MARIN FACES STRUGGLE FOR REELECTION

- 13.02.2023

Politico (13 February 2023)

Charlie Dubbury

Sanna Marin, one of the European lefts brightest stars, has two months to save her job.

This month, the Finnish prime minister launched her Social Democrats election campaign ahead of an April 2 election with her party trailing the center-right National Coalition Party under challenger Petteri Orpo in opinion polls.

After a glitzy laser show and a performance by a drumming group, Marin took the stage vowing to invest in education, employment and welfare provision.
