EU PARLIAMENT WEAKENING ANTI-CORRUPTION PROPOSALS, SAY LEFT

-

15.02.2023

EU Observer (15 February 2023)

By NIKOLAJ NIELSEN

Proposals in December to stamp out corruption at the European Parliament have been progressively watered down, according to the Left party.

Manon Aubry, co-president of the group, told reporters in Strasbourg on Tuesday (14 February) that decisions being made behind closed doors aim to bury pro-transparency efforts in the wake of Qatargate.
