'Türkiye will leave these painful days behind with its strong government' says Nechirvan Barzani.

The head of Iraq's Kurdish Regional Government (KRG), Nechirvan Barzani, on Tuesday visited Gaziantep, one of the 10 southern provinces of Türkiye's devastated by last weeks powerful twin earthquakes.

Barzani went to the Disaster and Emergency Management Presidency (AFAD) coordination center, where a KRG team is helping with search and rescue efforts in the Islahiye district.
