
GREECE TO INSPECT 64,000 PUBLIC BUILDINGS FOR EARTHQUAKE RISK

- 21.02.2023

Anadolu Agency (20 February 2023)

Ahmet Gencturk

Priority to be given to 30,000 public squares, schools, hospitals, says local media

Greece has decided to inspect around 64,000 buildings for earthquake risk.

The decision was taken at a recent meeting led by Prime Minister Kyriakos Mitsotakis, daily Kathimerini said in a report.
