
RUSSIA, CHINA CREATING WORLD OF DANGER, DISORDER, DIVISION: UK

-

14.03.2023

Al Jazeera (14 March 2023)

UKs updated defence and foreign policy paper highlights threats posed by Russia and China to global stability.

The United Kingdom views China as representing an epoch-defining challenge to the world order and sees the UK and Europes security tied to Russias unsuccessful prosecution of its war on Ukraine, an update to the UKs strategic foreign and defence policy blueprint states.
