Armenia is not leaving the CSTO, the organization itself is leaving Armenia, PM Nikol Pashinyan said when asked to comment on Armenia renouncing its quota of Deputy Secretary-General of the CSTO.

Pashinyan said that the CSTO Secretary General told him in 2022 that there are concerns within the organization that Armenia could leave it. Pashinyan said he found the comments to be inappropriate and conveyed the concerns in Armenia that the CSTO itself could withdraw from Armenia.
