
'ANNIHILATE THE ENEMY': NORTH KOREA CONFIRMS TWO MISSILE LAUNCHES

- 15.03.2023

Al Jazeera (15 March 2023)

Latest flurry of tests coincides with major military exercises by the United States and South Korea.

North Korea has confirmed it launched two missiles that it said were part of a drill designed to train military units to carry out missions at any time and annihilate the enemy if necessary.

State news agency KCNA on Wednesday described the launches as demonstration drills.
