
ARMENIA FURTHER DOWNGRADES PARTICIPATION IN CSTO

-

15.03.2023

Eurasia.net (14 March 2023)

Armenia is moving away from the Russia-led bloc and perhaps opening the door to closer cooperation with the West.

Armenia is continuing to move away from the Russia-led Collective Security Treaty Organization (CSTO).

For some time Yerevan has been questioning the efficacy of being part of a military bloc that's unwilling to help it in its conflict with Azerbaijan.
