
CHINA SENDS MILITARY DRONES TO DRC AMID FEARS OF REGIONAL WAR

- 21.03.2023

The Diplomat (20 March 2023)

Robert Bociaga

The DRC has purchased Chinese attack drones, raising concerns about Chinas role in exacerbating the DRC-Rwanda conflict.

The Democratic Republic of Congo (DRC) is set to receive attack drones from China, a move that has sparked concerns about a potential regional conflict between Rwanda and the DRC.
