
IRAQI PARLIAMENT APPROVES AMENDMENTS TO ELECTORAL LAW

-

29.03.2023

Anadolu Agency (28 March 2023)

Mahmoud Barakat

Independent members of parliament, including Turkmen lawmakers, object to electoral amendments.

Iraqs parliament has passed amendments to the countrys electoral law that could limit the chances for smaller parties and independent candidates to win future elections.

The assembly completed early Monday voting to adopt the Sainte-Lague election system with a 1.7 divisor, with independent representatives and small blocs rejecting it.
