Millet News (31 March 2023)

Judicial process takes too long in Greece and NGOs struggle to operate, get financial support, says Vera Jourova.

An EU commissioner on Thursday criticized Greece for problems with its handling of the justice system, the media, and NGOs.

Citing the commission's 2022 Rule of Law Report on member states, Vera Jourova, commissioner for values and transparency, criticized Greece for difficulties in its justice system due to overly long judicial processes.
