Al Jazeera (3 April 2023)

One site is near the hotly disputed South China Sea and another not far from Taiwan.

The office of Philippine President Ferdinand Marcos Jr has named the four additional bases that United States forces will have access to under an existing defence agreement to expand military cooperation.

The Philippine government announced in February that it would allow rotating batches of US forces to indefinitely stay in the new camps, in addition to five local bases earlier designated under a 2014 Enhanced Defence Cooperation Agreement (EDCA).
