Kabar (17 April 2023)

*The organizers of 30 large-scale festivals in the countries of Central Asia and Russia will hold a forum in Bishkek, the press service of the Tourism Development Support Fund of the Kyrgyz Republic said.*

The organizers of the World Nomad Games, KOLFEST, Roof of the World, Burning Man, Spirit of Tengri and other creative and tourist events will take part in the first Central Asian Forum of Festivals, which is slated for April 29.

First of all, the forum is intended for organizers of festivals in the regions of the Kyrgyz Republic. Many interesting events are held in our country, but they do not always become permanent or bring profit. The forum will discuss options for monetizing festivals, new trends and innovative approaches to organizing such events, the report said.
