
EX UN CHIEF BAN KI MOON TO DO ALL HE CAN FOR PEACE IN MYANMAR

- 26.04.2023

Al Jazeera (25 April 2023)

Ban calls for path to end violence and establish a peaceful, democratic and legitimate government.

Former United Nations chief Ban Ki-moon has urged an end to the violence that has rocked Myanmar since the February 2021 coup, and renewed efforts to secure lasting peace and a legitimate government.

Ban, who is part of The Elders advisory group of former world leaders, made his comments in a statement following a visit to the country at the invitation of the military.
