
TAIWAN MILITARY DRILLS TO FOCUS ON COMBATTING BLOCKADE OF ISLAND

-

26.04.2023

Al Jazeera (26 April 2023)

Two-stage Han Kuang drills start next month amid heightened tension across the strait after recent China war games.

Taiwan will start its Han Kuang military drills next month with computer simulations as it focuses on combating a blockade of the island and preserving the fighting capabilities of its forces, according to its defence ministry.

The annual drills will kick off with five days of tabletop exercises from May 15. Live fire exercises are to take place for five days from July 24.
