
UKRAINE WAR: TWELVE DEAD AS RUSSIAN MISSILES HIT CITIES

-

28.04.2023

BBC News (28 April 2023)

Russia has launched a wave of air strikes against cities across Ukraine, including Kyiv, leaving at least 12 people dead.

Ten people including a child were killed in an attack that hit a block of flats in the central city of Uman, officials said.

And a woman and her three-year-old daughter were killed in the city of Dnipro, according to the local mayor.
