## **ARMENIA TO APPOINT TRADE REPRESENTATIVES TO CHINA, GERMANY AND UNITED STATES**

-

30.05.2023

---

ArmenPress (30 May 2023)

The main mission of the Armenian government is to diversify commercial and economic directions, have better partnership with Arab, European, American and Asian markets with the goal of building multilateral and diversified economic relations, Minister of Economy Vahan Kerobyan said on May 30.

Speaking at parliamentary discussions on the budget report, the minister said that the Armenian government will soon appoint trade representatives to China, Germany and the United States. At this moment Armenia has trade representatives only in Iran and the World Trade Organization.
