
UKRAINE ARMY ATTACKS RUSSIAN FORCES IN SOUTHERN ZAPORIZHZHIA REGION

-

09.06.2023

BBC News (June 9, 2023)

Ukraine's military has launched attacks on occupying Russian forces in the key southern Zaporizhzhia region, Russian officials and military bloggers say.

They say Ukrainian troops - backed by tanks, artillery and drones - are trying to advance south of the town of Orikhiv for the second night running.

A senior Ukrainian defence official said the enemy was in "active defence".
