## PAKISTAN SIGNS TAPI PIPELINE PLAN WITH TURKMENISTAN

- 09.06.2023

---

Offshore Technology (9 June 2023)

Pakistan has signed a joint implementation plan with Turkmenistan to execute the planned Turkmenistan-Afghanistan-Pakistan-India (TAPI) gas pipeline project, reported ARY News.

In December 2010, an inter-government agreement and gas pipeline framework agreements were signed between the four countries for the development of the pipeline.

Construction work on the proposed project started in 2015. However, instability in Afghanistan led to little progress on the pipeline work.
