Iraqi News (11 June 2023)

Amr Salem

The Iraqi army announced on Sunday that two officers were killed and three soldiers were wounded in an armed attack targeting an army checkpoint in Kirkuk governorate in northern Iraq.

The Iraqi army mentioned in a statement that ISIS terrorists carried out the attack to respond to the painful strikes and qualitative operations carried out by the Iraqi armed forces, which inflicted heavy losses on ISIS terrorists as many leaders of the terrorist group were killed.
