
UKRAINE COUNTER-OFFENSIVE: KYIV SAYS IT HAS LIBERATED VILLAGES IN DONETSK REGION

-

12.06.2023

BBC News (June 12, 2023)

Ukraine says it has liberated three villages in the south-east of the country in the first victories of its much-anticipated counter-offensive.

Footage on social media showed Ukrainian troops celebrating in the neighbouring settlements of Blahodatne and Neskuchne in the Donetsk region.

Kyiv's deputy defence minister said nearby Makarivka was also taken.
