The Qatargate suspect wants to go from villain to victim. Thus far, shes trying to do it without showing up.

Qatargate suspect Eva Kaili keeps threatening to return to the European Parliament to clear her name. So where is she?

Six months after Belgian police charged the Greek MEP in a dizzying corruption scandal alleging foreign powers like Qatar and Morocco illegally consorted with a network of EU lawmakers, Kaili has gathered momentum for a political comeback designed to reframe her narrative as a victim of an inhumane judicial system and an espionage conspiracy.
