Kabar (19 July 2023)

Kyrgyzstan and Italy are ready to cooperate in the textile industry.

The press service of the National Investment Agency of the Kyrgyz Republic reported that this issue was discussed last week by Deputy Director of the National Agency Jalyn Jeenaliev and President of the Italian-Russian Chamber of Commerce Fernando Pelazzo at a meeting in Bishkek.

Pelazzo emphasized that Italian textiles are in great demand in the world, and expressed a desire to develop cooperation with the Kyrgyz Republic in this direction, creating joint ventures.
