Kabar (20 July 2023)

The State Committee for National Security (SCNS) of Kyrgyzstan commented on the message about possible U.S. sanctions measures against the country, the SCNS press service said Thursday.

In connection with reports from the United States about the introduction of economic measures against Kyrgyzstan "in order to stop the supply of sub-sanctioned goods to Russia", the SCNS considers it necessary to inform the public about the following:

It can be affirmatively stated that neither the Kyrgyz state itself nor any state structures and companies are involved in violating the regime of compliance with the sanctions restrictions imposed by the United States and Western countries against Russia.
