KAZAKHSTAN, US TO BOLSTER TRADE, INVESTMENT TIES

- 21.07.2023

Astana Times (21 July 2023)

Kazakhstan and the United States (U.S.) seek to enhance economic and commercial partnership, as Kazakh Minister of National Economy Alibek Kuantyrov took part in a roundtable with members of the U.S. □ Kazakhstan Business Council on July 20 in Washington, D.C, reported the ministry's press service.

Leaders of major U.S. companies, including Chevron, Boeing, Google, Brownstein, ITIC, Bechtel, and Senior Vice President for Middle East and Türkiye Affairs at the U.S. Chamber of Commerce Khush Choksy, attended the event.

During the talks, the sides noted the significant potential for cooperation in digitalization, infrastructure development, agriculture, among other sectors.
