News.az (26 July 2023)

Azerbaijan's State Automobile Roads Agency continues to work on the implementation of the requirements of the first State Programme of "Great Return" in liberated territories in accordance with the approved plan.

Within this framework, the 45-kilometer road of republican significance R33 Aghdam-Hindarkh-Aghjabadi, which connects the Aghdam and Aghjabadi districts, is being reconstructed, News.Az reports citing the Agency.

The width of the roadbed, which is being reconstructed in accordance with the II technical category, will be 15 meters and the width of the two-lane carriageway will be 7.5 meters (3.75 meters for each lane).
